Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	SHRI GANAPATHI V R
Overall Team Coordination Rating (1-5)	4
Any issues during demo	The computer microphone was not detected at first, so the voice was not recorded. Sharing the admin login was also a concern.
How issues were resolved	The microphone and audio settings were checked and corrected before the final recording. A separate demo user (demo.user) was created for evaluators instead of sharing the admin account.
